Mr. and Mrs. Paul Emil and their three little girls visited Eldon and Marge Greanya on Sunday after attending morning church service. Other company for Eldon and Marge were Marge's cousin and her husband Glen Schnell, also Glen's parents, Jake and Sandra Schnell, all of Edmonton.

Mr. and Mrs. Axel Homme were pleasantly surprised when old friends Elmer Teague and his wife Joan and their family of Edmonton dropped in for a few minutes on Sunday. Elmer grew up in this and the Woodland area. Dick and Lily Wheadon and children also visited Lily's parents and attended the church services.

Allister and Kathie Kennedy and children of Duffield visited Allister's parents Rev. J.D. and Mrs. Kennedy on the weekend.

Mary Tattersall, Mrs. Kennedy and Axel Homme all visited their doctors during the week.

There was a good turn out at the A.G.T. show on the evening of October 1st at Keephills. After October 6th there will be no worry of wrapped telephone lines with the underground system in effect.

Everybody who can is making use of this dry weather to get threshing and combining done. After such heavy frosts the beautiful scenery is almost a thing of the past for another year.

## WEEKLY VIEWPOINT

## "The Just Society"

By Rev. G. E. Ingram

The cruelty of past ages is proverbial. Modern educated man deplores the savagery expressed in the ancient tortures, the wanton application of capital punishment, and the "woe to the vanquished" tactics of earlier societies. But what are we to make of the re-appearance of brutality in our society today? Paradoxically, we see the social conscience growing more sensitive and we see, simultaneously and as clearly, this throw-back.

The student of history knows that the cruelty of by-gone societies happened where Christian teaching was stifled. The brutality in our society today is a clear indication that increasing majorities of people regard Christian faith as irrelevant and dispensable to sophisticated living and fail to see its vital connection with justice and mercy. We hear of "the just society" and (may we hope?) "the compassionate society"; yet How? Founded on what? Morality? But, said Jas. S. Stewart:

"morality without religion becomes mere manners"; and manners are fickle.

The Prophet Micah saw the whole truth, not morality divorced from religion, and he summed up man's whole duty: "He hath showed thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God". (Mic. 6:8). Faith is the very fountainhead of right living and harmonious relations in society. To ignore this in establishing a society is to invite disaster. Jesus Christ gave a pertinent word: "Seek ye first the kingdom of God, and all these things (beyond even our most thrilling dreams) will be added to you"

## BERRYMOOR NEWS

MRS. D. MARTIN  
Correspondent.

On September 17th Mr. and Mrs. Gordon Tryon became the proud parents of a baby girl, born at the Tofield hospital. Mrs. Tryon is the former Mae Martin of Berrymoor. This little girl is the first grandchild for Mr. and Mrs. D. Martin. The proud grandparents accompanied by Mr. and Mrs. George Martin, George Tryon, and Miss Connie Larson motored to Ryley to visit Gorson, Mae and baby Tammie.

One day last week Melvin Nicholson of Calgary visited old friends in Berrymoor. Among them are Ed Van Ember and David Laughlin. Melvin lived in Berrymoor quite a number of years ago and attended school there. It is a pleasure to see you back, Melvin.

A week ago Mr. and Mrs. Ed Van Ember and family visited relatives at Woodbend.

Mr. and Mrs. Ira Haight and family are enjoying a visit from two of Ira's cousins from Oregon, U.S.A.

We extend a sincere "thank you" to Max Schwartz for donating his time in doing some much needed Cat. work for the Berrymoor Three B's Club.

A number of old timers gathered at the Carnwood Community Centre on September 25th for their annual get together. A very enjoyable time was reported by those who were there. Among those attending from Berrymoor were Mr. and Mrs. George Martin, Mr. E. Fewster and Mr. and Mrs. John Johnston.

Donald Martin was the lucky winner of \$75.00 at a draw made at the Warburg Legion Hall on the evening of September 27th.

Miss Emily Joneson has been away for some time on a vacation trip to Europe. Your correspondent has received cards from her posted in Sweden, Denmark and Germany.

George Spencer spent a few days in the Drayton Valley hospital. We are happy to report that he is able to be out again and is spending some time with his friends, Mr. and Mrs. Harry Campbell.

A double 25th wedding anniversary celebration was held in the Berrymoor Community Centre on the evening of Saturday, September 28th. The two couples honored were Jack and Olive Thatcher and Walter and Irene Joneson.

About 125 people were present to join in the festivities and to offer their congratulations. The Harder and Roberts families presented a very enjoyable program of music and song and later led the whole group in community singing.

As might be expected the music and songs of 25 years ago were very prominent.

Each couple was presented with a set of dishes. These were a gift from the community. They also received other gifts and cards, for which sincere thanks were given.

A special thanks to Mrs. Hattie Barrett, who baked the two wedding cakes, to Mrs. Florence Johnston for a lovely job of decorating them and to each and every one who gave of time and money to make this the happy occasion that it was.

As well as local folks, people came from Tomahawk, Lindale, Carnwood, Breton and Seba Beach to wish the Thatchers and Jonesons well.

Many who talk like big wheels often turn out to be mere spokesmen.

### Prepare for Playoff Game

# Buy into Canada.

There are probably as many good reasons for buying Canada Savings Bonds as there are Canadians. There are the hopes, plans and ambitions you have for yourself and your family. There is the desire, which all of us share, to play a part in building the future of our country. The simple, safe, profitable way to help realize these goals is to buy Canada Savings Bonds.

**They offer an excellent return.** The average yield to maturity is 6.75% a year. There are fourteen annual interest coupons which begin at 5.75% and rise to 7.00% for each of the last nine years. These can be cashed each year as they become due. Better still, if you choose to keep these coupons uncashed, you can earn interest on your interest. Take full advantage of

this option and, when your Bonds mature, your total interest earnings plus your original investment will amount to \$250 for each \$100 invested.

**They are available to everyone.** Canada Savings Bonds are available to every Canadian resident in amounts from \$50 up to \$50,000, for cash or on instalments, wherever you work, bank or invest. Adults, children, businesses and institutions—all may buy them.

**They are instant cash.** You can cash them any time at any bank in Canada at their full face value *plus* earned interest.

Few investments are so profitable. None builds more surely for the future. Buy into Canada *today*. Buy Canada Savings Bonds. It pays.

# It pays.

### HOCKEY REGISTRATIONS:

Registration for the Drayton Valley Athletic Association Minor Hockey Program will be held in the Recreation Office on Tuesday, October 22nd, Thursday, October 24th, Tuesday, October 29th and Thursday, October 31st, from 4:00 p.m. to 6:00 p.m. each day. The Minor Hockey program will include all players from six to sixteen years of age or the categories from Mite through Midget inclusive. Registration forms will be available at the Recreation

Office any time after October 15th.

Office any time after October 15th.

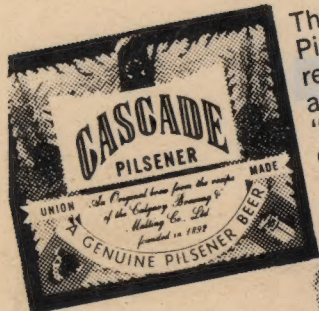

Office any time after October 15th.

All prospective players must be registered on the above mentioned dates and times. A registration fee of \$4.00 must accompany each registration, and each candidate must be covered by a season's skating ticket at the Centennial Civic Centre. Also each and every prospective player will be required to produce a birth certificate or proof of age on registration. These requirements must be met by each and every candidate before he is accepted into the program or issued a uniform.

Because of extreme laxity on the part of a vast majority of registration candidates in the different phases of our program it has been necessary to set down the above requirements on a very firm basis. First of all definite registration dates and times have been established and late comers will be disappointed. In the past couple of seasons, the trend has been not to bother with registration until the last minute and then expect a full fledged program blooming forth in all its glory early the next day. This is an impossibility. At least a week is needed after all registrations are processed to sort everyone out, form teams and leagues, draw up appropriate schedules and establish a satisfactory and resourceful program. This season we plan to establish our entire winter program on the basis of our registrations as of October 31st, and work from there in order that the program may be under way on time. Secondly, the \$4.00 registration fee must be paid before a candidate is accepted in the program. In the past every opportunity has been given to the prospective player in carrying him in this respect and unfortunately their privileges have been roundly abused. So much so that we have still got a total of \$166 still outstanding in football registration fees. These boys were accepted into the pro-

gram on their word, "I'll pay you tomorrow or on the week end", sort of thing. However, sad to say, tomorrow or the week end never comes and the registration fees remain unpaid. The expense of the program goes on and the budget gets further and further out of balance. Finally there is the requirement of a birth certificate. In the past year or so we have met with the problem of boys giving a wrong age in order to play in a certain division or on a certain team. This may be a minor matter in the case of boys playing in a town league, however, when it comes to competition in out-of-town leagues or in provincial playdowns it becomes a very serious matter, one that can cause a lot of trouble in short order. With birth certificates we will proceed to set up index cards on each and every boy as to age, day, and date of birth and birth certificate number. From this we will have complete and certified records of all persons taking part in the hockey program and should any argument arise in regard to the age of any individual it can be settled with a minimum of involvement and confusion.

We look forward to a very busy hockey season. Teams and leagues will, in all likelihood, be filled to full capacity and schedules will be tight and ice time at a high premium. If this winter program is to be successful we will need the complete co-operation of each and every player, parent and interested citizen in this town and surrounding area from the opening registration date to the closing of the Civic Centre in or around April 1st, 1969.

### MINOR HOCKEY AGE LIMITS

At the annual meeting of the Canadian Amateur Hockey Association last summer a new list of age limits was set for all divisions of Minor hockey from Mite to Juvenile inclusive. This was a much discussed and bitterly argued topic in the inner chambers of the C.A.H.A. during the past two years. It was finally settled at this summer's meeting, for the time being at

least.

All coaches, officials and interested persons in any phase of the local Minor Hockey program are asked to take note of those new age limits. They are as follows: Mite- for all players born after midnight, December 31st, 1957.

Pee Wee- for all players born after midnight, December 31, 1955. Bantam- for all players born after midnight, December 31, 1953. Midget- for all players born after midnight, December 31, 1951. Juvenile- for all players born after midnight, December 31, 1949. Junior- for all players born after midnight December 31, 1948. (no change).

The Junior division did not change therefore there is now only one year between Juvenile and Junior players age limits. This, however, has no bearing on our program since we do not have any Junior hockey here.

These age limits will be adopted by the Drayton Valley Athletic Association and will be in effect in the Drayton Valley hockey program during the 1968-69 season.

Otto Guze is shown with the five calves that have been on the feeding test during the past forty days.

## Three to One Gain Shown By Calves on Feeding Test

A feeding test on the Otto Guze farm at Drayton Valley has produced results that should prove interesting to Alberta cattle feeders. Five calves have shown a 3 to 1 gain over a 40 - day period using a vitamin supplement known as Carlson's mix.

Mr. Guze notes that the one pound of gain for three pounds of feed is a remarkable achievement when seven, eight or nine to one is considered a good ratio.

The test started on July 29th with three fair to good Herefords, one stunted Hereford and one Jersey-Charolais cross. Weight of the five calves on July 29th was 1500 pounds and after 40 days,

2150 pounds for a total gain of 650 pounds.

One ton of feed in a self-feeder lasted the calves the forty days. No starting was required with the animals going immediately to the self-feeder.

The gain for each steer works out to 130 pounds for the forty day period or three and a quarter pounds a day.

The ration mixture used by Mr. Guze consisted of 100 pounds of meat meal, 50 pounds of linseed meal, 25 pounds of Carlson's mix (the new vitamin supplement being tested), 200 pounds of oats and 1625 pounds of barley. Total cost of the ton of feed was \$60.50.

## Packers Meet Bees In Sunday's Game

The Drayton Valley Packers edged the Rio Terrace Panthers 13 - 12 in a regular scheduled Huskie Athletic Association Bantam Football League game last Sunday afternoon. The Packers traveled to Edmonton for the game which was played at Kinsmen Park.  
The game was a close struggle all the way with both teams turning in a hundred per cent effort in a bid for victory. Jay Meraw and Roger Bain got the touchdowns in the Packer cause. Jerry Wilkes kicked the convert which proved to be the margin of victory for the local team.  
This game completed the

regular schedule for the Bantam league. The Packers finished in first place in the northern section of the twelve team league standings with five wins, and no defeats for a total of ten points.  
Next Sunday afternoon at 1:00 p.m. the Packers will again travel to Edmonton for the Northern Division semifinals against the Edmonton Eskimo Ladies Quarterback Bees. This will be a single game affair with the winner advancing to the divisional finals on October 20th in Edmonton. Sunday's game against the Bees will be played at Kinsmen Park.

## TALENT SEARCH IN 22nd SEASON

Nothing succeeds like success. That appears to be the annual situation with Search for Talent. For the twenty-second year, the Associated Canadian Travellers of Edmonton are combining effort, with Radio Station CFRN to bring Search for Talent to twenty-two communities in this twenty-second season.  
Lou Peterson, A.C.T. President, is announcing plans for the season at the Annual ACT Talent Kick-Off Luncheon, stated that all is set, with the opening show scheduled for Mayerthorpe for Saturday, October 26th.  
Mr. Peterson stated that proceeds from Search for Talent continue to be one of the major sources of revenue for the A.C.T. Northern Alberta Crippled Children's Fund, now in its twenty-second year of humanitarian work with needy, crippled children in this area.

### Park Court Picnic Success

Barbequed steaks, weiners and chicken were on the dinner menu at the Farmers' Day Community picnic at Park Court.

Mr. Nigel Aspeslet of North-western Utilities supplied a barbeque, took photos and put on

a demonstration.

Later, the grounds were the scene of much activity as everyone enjoyed the races, bingo, ball games, horse shoe tournament and bazaar. A well-attended dance rounded out the day's activities.

## EVANSBURG NEWS

MRS. M. BRUNER,  
Correspondent

Today, October 3rd, our youngest boy, Kelly, is celebrating his sixth birthday with a very noisy birthday party such as little boys and girls of that age can manage.

Recently, Mr. and Mrs. Paul Ohl of this district traveled to Penticton, accompanying Mr. and Mrs. Ohl were Mr. and Mrs. Dennis Leyden of Edmonton. Mrs. Leyden is Mr. and Mrs. Ohl's daughter, June.

The Boy Scout Council meeting was held in the basement of the Village Office last week. Plans are made for the annual meeting and banquet which will be held at Alder Flats this year. Everyone is welcome to these meetings which are held every fourth Thursday of the month.

A very pretty bridal shower was held for Miss Linda May whose marriage to Bob Mattice will take place very shortly.

Visitors at the home of Mr. and Mrs. MacGowan were Mr. and Mrs. Pete Bonson from Lynden, Washington. Mr. and Mrs. Bonson and the MacGowans had not seen one another for forty years so this was quite a reunion.

The Community League held a meeting recently to decide on the operation of the skating rink for the coming season. Since there were only a few members present it was decided to hold another meeting soon and to ask for representatives from all the organizations who had something to do with the building of the arena come to this meeting.

Typing and shorthand classes are now being held at the high school for two evenings a week. These classes can lead to the obtaining of high school credits for those who desire them.

The gymkhana club held its regular meeting recently and plans were made further for the banquet which will be held soon.

With farmers busy taking advantage of the nice weather to harvest crops some accidents are bound to happen and some of the farmers who have escaped more serious injury are Mr. Mike Mazeppa and Mr. John Mazeppa. Two others who have suffered injuries are W. Brenenstuhl and J. Udchitz.

Several people from this side of the river went to the

official opening of the new John Oliver shop in Entwistle. We wish continued success to Mr. Oliver in the new premises.

Members of the 4-H Clubs are all set to welcome new members to both beef and forage clubs when they hold their re-organization meeting in the Wildwood Hall on Friday, October 11th.

The UGW held its regular meeting at the home of Mr. and Mrs. Grapentine on October 2nd. A letter from the Edmonton Presbyterian Centre was read and it was decided to serve tea and coffee to those attending. This will be held on October 22nd and will begin at 10:45 a.m. It was also decided to install the new sink in the church basement. The date for the fall tea, bazaar and bake sale was decided on and it will be held on November 11th. The tea and rummage sale held recently was a success and the ladies wish to thank everyone for their support in this event.

The next meeting will be held at the home of Mr. and Mrs. Otto Wolff on November 6th.

### O.O.R.P. Awards Presented

The regular meeting of the O.O.R.P. was held on October 2nd with twenty-two members and nine guests present. Awards were presented to the following students: Grade 9 math, -Janine La-Branche; Grade 10 Top Student -Linda Frank; Grade 11 Top Student-Linda Dusterhoft; Grade 12 English-Maureen Fraser, who's award was accepted by Mrs. Fraser as Maureen is attending University.

Each student expressed thanks to the Lodge and their teachers. Mrs. Fraser spoke on Maureen's behalf and Mrs. La-Branche spoke on behalf of the teachers.

The Ladies of the Lodge served a very delicious lunch.

On October 2nd the O.O.R.P. held a bingo with the proceeds going to The Canadian Mental Health Association.

Youngsters are always ready to give those who are older than themselves the benefit of their inexperience.

## LINDALE STUDENTS ENJOY DANCE

Students at the Lindale School enjoyed their first dance of the new school term on Friday, September 27th. The dance appears to have been a great success as the unedited account of one student printed below indicates:

My very first dance, I liked. This was my very first and I thought it was great to see how other people dance and to see all my friends. It was more fun to see my friends at night because you got more time to talk then at noon or at recess. I think its fun to go to dances and to meet different boys and some friends that I haven't seen for a long time. I was to a wedding dance once but I didn't enjoy it as much as this dance. Because it was old fashioned dances not the new kinds like these were the real fashions and I liked the music. The music at my first dance was nice too but not as nice as this music. And I liked the dancing too.
